

Results of Environmental Review

- (1) Reference Number  
07-050
- (2) Project Name  
Thermal Power Plant
- (3) Project Site  
Central Java, Indonesia
- (4) Project Outline  
Construction of a thermal power plant
- (5) Category  
A
- (6) Reason of Categorization  
The project falls into the large-scale thermal power sector.
- (7) Environmental Permission/Approval by the Environmental Authority  
The environmental impact assessment report has been made in accordance with regulations of Indonesia and approval has been granted by the local authorities.
- (8) Anti-Pollution Measures  
The planned values for air quality, discharging water and noise levels meet local standards and the World Bank Standards.
- (9) Natural Environmental Considerations  
No protected area or habitat of rare species is recognized around the project site.
- (10) Social Environmental Considerations  
No resettlement is required in the project and no specific adverse impact is expected.
- (11) Monitoring  
Monitoring of air, water, and noise will be conducted.
