NEXI

Results of Environmental Review

- (1) Reference Number
10-051
- (2) Project Name
Thermoelectric plant project
- (3) Project Site
Extremadura, Spain
- (4) Project Outline
Construction of thermoelectric plant
- (5) Category
A
- (6) Reason of Categorization
The project is located near a sensitive area (protected area) under the Environmental Guidelines.
- (7) Environmental Permission / Approval by the Environmental Authority
The environmental impact assessment report has been approved by The General Directorate of Environmental Evaluation and Quality of Extremadura in March 2009.
- (8) Anti-Pollution Measures
The planned values for air, water and noise meet the local standards and international standards. Appropriate anti-pollution measures will be taken.
- (9) Natural Environmental considerations
The project site and protected area are appropriately separated and no particular environmental impact is foreseen.

(10) Social Consideration

No resettlement will be implemented.

(11) Monitoring

Monitoring including air and water will be conducted based on the approval by the General Directorate of Environmental Evaluation and Quality of Extremadura to be submitted to it.
