

MONITORING FORM

-If environmental reviews indicate the need of monitoring by NEXI, NEXI undertakes monitoring for necessary items that are decided by environmental reviews. NEXI undertakes monitoring based on regular reports including measured data submitted by the project proponent. When necessary, the project proponent should refer to the following monitoring form for submitting reports.

-When monitoring plans including monitoring items, frequencies and methods are decided, project phase or project life cycle (such as construction phase and operation phase or development, operation and mine closure) should be considered.
